**In Challenging Times...**

THE WORLD NEEDS PEOPLE WHO:

- Cannot be bought;
- Whose word is their bond;
- Put character above wealth;
- Possess opinions & a will;
- Are larger than their vocations;
- Don't hesitate to take chances
- Will not lose their individuality in a crowd;
- Will be as honest in small things as in great things;
- Will make no compromise with wrong;
- Ambitions are not confined to their own selfish desires;
- Won't do it "because everyone else does"
- Are true to their friends through good report and evil report, in adversity and prosperity;
- Don't make believe that shrewdness, cunning, and hardheadedness are the best qualities for winning success;
- Aren't ashamed or afraid to stand for the truth when it is unpopular;
- Can say "no" with emphasis when the rest of the world says "yes"

Ted W. Engstrom
