Own Your Own PIT STOP for HUNTING / FISHING / CAMPING

Every year the demand for used **PIT STOPS** exceeds supply. So this year, we have set-aside a larger number of units for all interested HUNTERS, FISHERMEN, and CAMPERS.

These units are in relatively good condition but due to their age, need to be retired from our rental fleet.

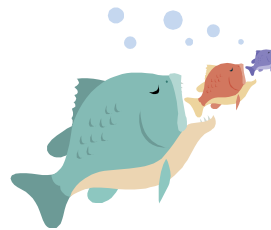

These units range in price from \$175 to \$225 each and are available at our

site in the Hiram—Powder Springs Area.

Please call us at 770-439-2888 for directions and to **schedule an appointment** to see these units.

Units are available on a first-come-first serve basis.

PLEASE spread the word as time is of the essence! We do not want interested parties to be left out!

In Challenging Times...

Watch your *thoughts*: they become words.

Watch your *words*: they become actions.

Watch your *actions*: they become habits.

Watch your *habits*: they become character.

Watch your *character*: it becomes your *destiny*.

\$\$ WE CAN SAVE YOU MONEY \$\$

NOT ALL PORTABLE RESTROOMS ARE CREATED EQUAL! PIT STOP uses the Synergy Brand unit that has the largest tank in the industry. The 80 gallon tank is 22% larger than other manufacturers that produce 55-60 gallon tanks. A larger tank means:

- 1) Less need for twice-a-week service
- 2) More people can use the unit while maintaining a sanitary condition.

When shopping for a portable restroom company, keep in mind that the **best value is the larger unit from PIT STOP!**

WE CAN SAVE YOU MONEY by monitoring the usage on units and tanks and recommending the appropriate number of units. In addition, we are able to verify the date and time your unit was serviced.

IF YOU LIKE US, TELL OTHERS! IF NOT, TELL US!

You are our best form of marketing.
