Safety Tips for the Holiday Season

It is hard to believe the hustle and bustle of the Holiday Season is upon us. Here are some safety tips to keep in mind.

ATM Safety

- Shield the keypad with your hand or body when entering your PIN
- Do not leave your transaction record behind at the ATM
- Always be aware of your surroundings. If you notice anything suspicious, use another ATM or return later
- If you must use an ATM at night, consider taking someone with you.

Charitable Contributions

Telephone solicitors can be relentless and wear you down. If you do not know the charity calling, be bold and quickly end the call.

You can verify Organizations eligible to receive tax-

deductible charitable contribution at: www.IRS.gov and enter the keyword-Publication 78

At Home

Be careful when displaying your Christmas tree. Keep in mind observers can be potential thieves looking for visible items.

Trash day could also be a clue to a thief of what is new in your home. If possible, take the time to cut up any boxes or place them in a closed container. Another option would be to bind the boxes in a bundle where the print is not showing.

PIT STOP wishes you a safe and Happy Holiday Season.
